In addition to items on the State Responsiveness chart, I need you to send me, ASAP, any anything we are on working that is a big policy issue.

(e.g. KYs request that we look at long term control plan and under 404 concerns in n key about cost of Mitigation credits, also things like request for treatment as a state for tribes and Miccosukee water quality concerns)

Please send by 11:30. Thank you!
